Please be sure this is the part you. New 35hp Wisconsin Motor. Some need sharpening, others ready to go, as I had them sharpened before replacing them this winter. You end up with 2 sets plus 2 extra teeth. I will ship as you instruct. These teeth have sufficient cutting surface to work at present. Retipping is an option to renew the teeth. See pictures. Buyer will have to make ALL shipping arrangements at there expense. Approx weight 500 lbs. The only flaw this machine has is a crack in the plastic cowling which can be fixed easily. The motor runs perfect and Ill have a video up on YouTube soon. I took the pictures in good daylight to show the motor has not been washed since new to show it has a little dust and does not leak oil. All controls work as New condition. The tracks are in great shape. The cutter wheel has an almost new set of Yellow Jacket Teeth on it. Free loading available. We can get you freight quotes also. Payment is by

wire only. Some spare parts are included new belts. Hydraulic filter. 2005 model with 607 hours. 27 hp Kohler engine. Has been well maintained. Message me for more information or to set up pickup. The direct flow hydraulic drive is designed to provide the best torque and RPM to the cutting head.

Recommended for Skid Steers with hydraulic flows from 10 to 20 gallons per minute Will ship anywhere in Canada and United States. Went through the whole thing. It runs. Looks and cuts great. Brand new set of tires. Has only 200 hrs on the rebuilt engine. The only thing it needs is a new set of cutting teeth and the cutting wheel hub is a little loose on the shaft. But it has been that way since I had it. I am getting out of the tree business and no longer need this machine. This item can not be shipped or delivered. It is available via local pickup only. No Credit cards or paypal. Cash only upon pick up of item please. Please call or text me if you need any more info at 8125692322 Steve Max rpm is 2500. The bore is 40mm or 1.575 inch. These blades are heavy 170 thick and made out of high grade tool steel. It is in very good condition, the teeth look real good. Some may have a little surface rust from storage. These are very expensive when new. It will be well packaged in its original box. The spacer just adapts the bore to fit your shaft size, the 1st. If you need a spacer let me know the size you need before you pay. I will send you a updated invoice to include the extra charge. The sixth picture is a picture of a knife my son made out of a saw blade. The auction is just for the blade. Pictures with the implements are for ideas and different uses and have had the guards removed for clarity. Comment from a customer I love this thing. We had a nasty old hedge growing the full length of a house lot. In 2 hours we had it all cut to or below ground level. Thanks. Scott. Also people that use them for buzzsaws say they cut wood like it was butter. All guards must be made and used. We are not responsible for accidents. Need a pallet load of blades. Contact me for shipping charges. If you need a spacer just let me know what size you need. Then I will send you a updated invoice. Free shipping is only for the continental US only.

If you need the blade for painting or to cut knife blanks out of. I do have blades with bad teeth t This is a well maintained former rental unit that was always been properly serviced and runs out great. This machine is 100% ready to go to work. Number of Teeth. 16. Number of Indexes. 2. Number of Pockets. 16. Reversible Pockets. 16. Cutterwheel Guard. Standard. Chip Containment. 7.7 cu ft. 2 cu m. Local pickup is preferred but we can arrange for delivery within 200 miles for a fee if absolutely needed. Payment is due within 7 days. The remainder must be paid by cash in person or a cleared certified check before pickup or shipping. When you call. Ask for Matt. I am your equipment sales specialist delivering the best value with all my customers in mind. Featuring enough power to effectively remove stumps up to three feet in diameter. The SC90 stump cutter tackles stumps in locations where larger equipment is not accessible. The unit is both portable and easy to maneuver, but its greatest attribute is the cutter wheel. This is a very well maintained machine and works great. If the item is not functioning unless otherwise noted in the description above or if you feel it is not as described we will take it back and refund your money. You must notify us within seven days of receipt if you have an issue with this item and return the item in its. It is powered by a 60hp Cat diesel 4 cylinder engine, starts right up, runs great, has only 1385 hours on meter. The teeth are dull and will need to be sharpened or changed soon. You can make good money grinding stumps. This machine is sold with bill of sale only, there is no registration, or title, tow behind units like this are not required to be registered in NYS. Buyer is responsible for all shipping cost. I can arrange freight shipping, email me with zip code, and if commercial or residential. This unit comes with a 1 year limited warranty. The stump grinder is equipped with the patented quadra blade cutting teeth and has a 6.5 horsepower Honda engine on it. The handlebar can easily fold down out of the way so you can transport this unit in the back of a truck or SUV.

This stump grinder can get to areas most stump grinders can not get to. Check or credit card. Our office is located in Manassas, Virginia. Local pickup is welcome but we can also ship this unit to you in any of the lower 48 states. Shipping costs are extra and will be paid for by the buyer. To get the least expensive shipping rate you need to have this unit shipped to a commercial location that has the ability to unload. I can ship it to a home address as well and have a lift gate unload the unit off the back of the truck as well, however its more expensive. If you are a resident of the state of Virginia add 5% sales tax to the total. If we ship this unit to you out of the state of Virginia there is NO sales Tax. Call Trey for more information 703 919 5291 I have 6 Straight bored, 5 curved bored, 4 curved threaded and 6 straight threaded. These have no chips in them. Any questions just ask. Get Vendio Gallery Now FREE. For sale is a LIGHTLY used Toro Dingo stump grinder attachment. This unit is a demo and does not have any significant wear or hours on it at all. Please contact us for a freight quote. Indexing Head Index position of blade adjusts up to 30. Allowing easy removal of roots. Direct Line of Sight from operator position to cutting blade increases accuracy and efficiency in removing stumps. It takes fingertip action alone to eliminate the stump with the Dingos easytouse controls. Replaceable Teeth Twelve 12 bolt on carbide tipped teeth. Provide long life and easy. I'm the original owner of this machine. This grinder has a 60hp turbo charged CAT motor that has only two hours on it after being rebuilt by Vermeer technicians. This machine will go through a 36 inch gate and handle the biggest of stumps with its yellow jacket teeth. This southern machine has only 1032 hrs. This machine is for sale locally so we reserve the right to end the auction early. Will not ship. Local pick up only. You can see this machine in person in Shreveport, Louisiana.

California Sales Tax Of 8.25% Will Be Collected Unless Shipped Out Of State By A Common Carrier. Any Questions Call Matt 5625875631 It is a rayco 1625 super junior. Machine has just been completely gone threw with several new parts including Cutter wheel bearings Jack shaft Jack shaft bearings Carburetor Fuel lines Fuel filter Oil Oil filter Hydro fluid Hydro filter Spark plugs Also have some extra teeth Machine has always been well maintained and is in great shape. I also have the upgraded dual wheels that can be attached if needed within minutes. We never used them. This machine needs nothing and is ready to start working today. Hour meter reads 898 Trailer not included Located in Independence KY41051 about 20 minutes south of Cincinnati Ohio. Machine is available to view anytime just contact me. Your bid is a contract to buy the machine so please dont bid unless you intend to pay. Machine must be paid. All sales are final so please ask any and all questions before bidding. Cash only no personal checks accepted. Posted with eBay Mobile It does run and grind. Call if any questions 570 506 0288 This unit was a trade in from a contractor and was gently used as you can see from the pictures. It was mounted on a Bobcat MT55 but will also fit

MT52 MT50 and 463 and S70 skid steers. It has a smaller plate so it will not fit full size skid loaders. Save money and buy a good used one. The remainder must be paid by cash in person or a cleared certified check before pickup or shipping. Yellowjacket NR Never sharpened have about 40 hrs on them. 2 need sharpened and the others are decent. Took off machine today these were on the high side of the wheel and turned once. 6.00 shipping to lower 48. Only 200 hrs on new motor. Well maintained garage kelp. My husband got hurt in tree business needing to sell.

If interested or would like to come look call 2706061288 after 2pm or 2706061289 anytime thanks  
Posted with Im currently looking to clean out all my unused equipment so someone else can use it before it goes to crap. Grinder ran great last time it was used but then I bought a bigger diesel and smaller 252 now it sits no reserve auction may end at any time do to local sale or good offer or Ill clean out carb and take it to delaware and use it as spare for another year. In good condition. It is a 2011 model. The cutter wheel has been replaced with the Green Teeth cutting system. This allows for a faster cutting carbide tooth and a MUCH faster changing of the cutter teeth. You can find out more detailed information about Green Teeth on their website. Shipping costs will be paid by purchaser. This item will ship within 2 business days of purchase. Payment, and confirmation of shipping address. Florida buyers must pay 6.5% Florida State Sales Tax. This machine is listed for sale locally. We reserve the right to end this listing at any time. Engine manufacturer Honda, Engine name GX Series, Power 13 hp, Cylinder displacement 389 cc, Air Filter type Cyclone, Fuel tank volume 13.8 US pint. Drive system Drive belt Gates HiPower. Carbide tips on grinder. It was running a few years ago. Used but in good condition. New Tires, 30hp new rebuilt cylinders bought the grinder for own use. o.RcmdId ViewItemDescV4,RlogId p4%60bo7%60jtb9%3Fuk%601d72f%2Bhpl%7E3go7%3Eo13e8b02c2c90xf4 This unit has the powerful Husqvarna 3120xp motor with 119cc of power.
